

Campus By the Sea

Campus By The Sea is located in a beautiful secluded cove on Catalina Island. In this amazing setting, CBS provides a High School program designed to help teens encounter God, build healthy relationships and experience a week of fun that will make memories to last a lifetime. Every morning begins after breakfast with personal quiet time, followed by small group Bible studies, group activities and large group sessions with music (Starve the Old Man) and the speaker (Jeremy Cook). Afternoons are for free time! You can enjoy sun bathing on the beach, spending time with friends, swimming, hiking, fishing, napping, snorkeling, kayaking, reading, basketball, volleyball, tetherball, ping-pong, and other recreational activities in camp. Evenings are spent together in large group sessions with your speaker. On Wednesday you will have a chance to hike to Avalon, enjoy the day there, and then take a boat ride back to camp. Throughout the week there will also be lots of fun group games, campfires, lots of good food, and time to enjoy the beauty of Catalina Island.

Dates: August 8-13
