

Hartland Camp

Hartland's summer camps are one of a kind. Each week-long camp includes high-energy recreation, team competition, tons of free time options, awesome speakers, small group discussion times, and practical application of God's Word.

Enjoy hiking the quiet mountain trails, boating on the pond or enjoying a milkshake with friends in the coffee shop. For those seeking a little more adventure, there's a full gym, indoor climbing wall, zip line, water slide, extreme swing, and heated pool.
